

Action in the Event of a Fire

Statement:

Fire Escape routes are shown on the Teaching Centre and Ringing room Maps – see Section 4 – 03 for reference. Everyone should familiarise themselves with the relevant escape routes.

Teaching Centre – the main escape route is via the staircase of the North Transept, if this is blocked or full of smoke, then use the staircase via the South Transept. The staircases to the West (exit to Nave) and East (exit to Quire) can be used. Please refer to Teaching Centre map.

Ringing Room – The main exit is down the stairs back into the Teaching Centre and using the routes as detailed above. If the staircase is blocked or full of smoke then go up to roof where you will be rescued by the fire Service from the parapet.

Person Responsible : Tower Captain or Person in charge.
